

WATERLOO

Work Experience & Training
for People with Learning Disabilities

We have worked with Waterloo on numerous occasions and the team is great. The raised beds and benches they recently installed for us have allowed disabled residents to enjoy the garden for the first time in years. Waterloo has also installed garden fencing, a shed and built a pergola. I would recommend Waterloo to anyone.

WATERLOO

We are a not-for-personal-profit social enterprise in North Solihull, providing workplace training for adults with learning disabilities and producing bespoke timber goods.

WORK EXPERIENCE & TRAINING

Our clients are supported to develop their skills in IT, literacy and numeracy, as well as gaining practical & social skills and valuable experience of the workplace.

Social **ENTERPRISE**

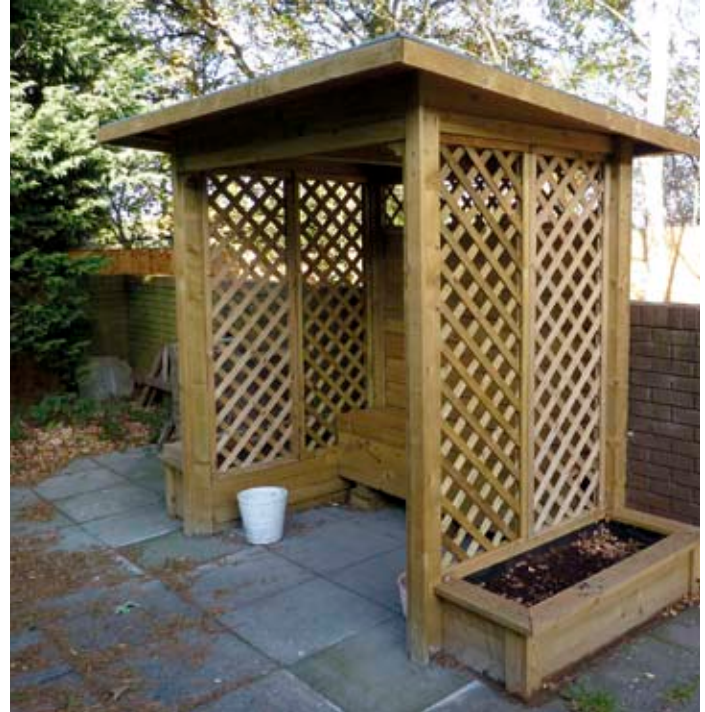

The relaxed atmosphere of our workshop and the team's friendly camaraderie helps to foster our clients' personal and social skills.

Garden **SERVICES**

Waterloo provides a range of garden services such as fencing and garden clearance for domestic and commercial customers.

Bespoke **TIMBER PRODUCTS**

We manufacture a wide range of bespoke timber products mainly for outdoor use plus a range of simple wooden toys made by our learning disabled clients.

FIND OUT *More*

Waterloo provides learning disabled people with training, work experience and care in a safe environment. We prepare our clients for paid employment by helping them to build their confidence and their practical & life skills, all within a great social experience. In doing so, Waterloo produces a wide range of high quality, bespoke, outdoor, timber products and services at a competitive price.
